

Agreed Report from the Board of Management

Date: 3/03/2022

- The Board Members attended their first Board of Management meeting for Carbury School.
- Key points from the *Governance Manual for Primary Schools 2019-2023* were highlighted.
- Board Members will avail of further training online.
- The Board of Management acknowledged the following roles in relation to Child Protection:
 - Designated Liaison Person: Ms. Linda McMahon
 - Deputy Designated Liaison Person: Ms. Ann Harte
- The Board noted that the school year has been reduced to 182 school days due to the additional bank holiday.
- The school has commenced work on the theme of water as part of the Green Schools initiative and is in the process of renewing the Active Schools Flag.
- Using grant funding for ICT, the school will install six interactive panels in the classrooms. As a result, each classroom will have an interactive panel. They are due to be installed this month. All class teachers have completed training in the use of these interactive panels.
- The school will renew its membership with the National Parents Council.
- An information session from the National Parents Council about establishing a Parent Teacher Association will be organised for Term 3. The school will then aim to set up a Parent Teacher Association in September 2022.

Signed:

Linda McMahon

Secretary to the Board of Management
